began the process of translating the complaint and summons into Greek under the Convention on the 1 2 Service Abroad of Judicial and Extrajudicial Documents in Civil or Commercial Matters ("Hague 3 Service Convention"). In January 2020, after the United States submitted a Request for Service Abroad of Judicial or Extrajudicial Documents required by the Hague Service Convention, but before the Greek 4 5 Central Authority completed service, Defendant Vinnik was extradited to France. The United States began the process of re-translating the appropriate documents into French and effectuating service on 6 Defendants in France. 7 8 As of October 21, 2020, Defendant Vinnik was on trial in France, and the United States reported 9 to the Court that the outcome of his trial may determine whether he remains in France or is extradited. On or about December 7, 2020, Defendant Vinnik was convicted and sentenced to a prison term in 10 11 France. These developments affected the United States' ability to complete service on Defendants, 12 however the United States expects to complete service through appropriate authorities. This process is 13 ongoing. Accordingly, the Untied States respectfully requests that the Court allow it to file another 14 status report in sixty (60) days, or by April 20, 2021, regarding its efforts to serve Defendants. 15 16 Respectfully submitted, 17 DAVID L.
